

Independent Marine Surveys. Promptly Delivered.

Marine survey, cargo inspection and technical attendance across Victoria and throughout Australia.

Who we support

Headway Marine provides independent evidence and practical maritime judgement for shipowners, charterers, managers, insurers, P&I; interests, cargo owners, agents and logistics stakeholders.

Core services

Bulk Cargo & Draft Draft surveys, hold cleanliness, grain fitness, hatch sealing and cargo monitoring.	Bunker & Condition B&C;, on-hire, off-hire, ROB verification and photographic condition schedules.
Marine & Cargo Condition, damage, pre-shipment, loading, discharge and loss investigations.	P&I; & Insurance Cargo loss, liability, contamination, casualty, damage and mitigation attendance.
Project & Heavy Lift Lifting, lashing, securing, flat-rack, transport and port-captain attendance.	Testing & Technical Gas testing, shipboard water sampling, machinery and repair attendance.
Container Cargo Container condition, leakage, stuffing, unpacking and cargo-damage investigations.	Fertiliser Sampling Increment sampling, composite preparation, custody and discharge observations.

How we work

Each appointment begins with an agreed scope and ends with concise findings supported by photographs, measurements, records and relevant documentation. Accredited, authorised or specialist personnel are used where the assignment requires them and availability is confirmed before attendance.

Victorian port coverage

Melbourne-based marine attendance with prompt confirmation of scope and availability.

Melbourne Container, bulk, tanker, project cargo, P&I, bunker and vessel-condition attendances.	Geelong Bulk cargo, grain fitness, draft survey, fertiliser sampling and vessel services.
Western Port Vessel, tanker, bunker, condition, project cargo and technical attendance.	Portland Bulk cargo, grain, fertiliser, draft survey and cargo-condition attendance.

What to send for an appointment

Vessel name and IMO number; port and berth; ETA and preferred attendance time; required service and interests represented; cargo details; local contacts; appointment letter and supporting documents.
